**NEEDLE ARTS AND NON-QUILTED ITEMS**

"Needle Arts", also known as "Fiber Arts" are entries that are primarily a fiber creation (yarn, thread and or cloth). As the name implies, entries are created, at least in part, by the use of a sewing needle, knitting needle, crochet hook, etc) They may be embellished, painted, and/or framed as necessary for proper display. These entries are NOT predominately made of wood, metal, plastic, etc. Framed entries should be ready to hang with a wire and will be hung for display from a wire grid via an "S" hook.
